

Hannibal Amateur Radio Club, Inc.

FCC Exams

Our club administers FCC amateur radio license exams four times annually, immediately following the club meeting, on the second Wednesday in the months of January, April, July and October.

See [This Month's Newsletter](#) link on main page for specific information about the next FCC exams.

Pre-registration is suggested at least 72 hours prior to the exams by contacting Larry Lauer (573) 406-0383 or by e-mail at Larry@alauer.com. Check with Larry Lauer a few days before the exams to reconfirm the date, time and place of the exams. Bring a photo ID and another ID, original and a photocopy of applicable CSCE(s), and the original and photocopy of your valid * FCC license. Test fee amounts for the current year are set out in the monthly newsletter, and should be payable in cash, check, or money order to ARRL/VEC. The VE team members volunteer their time as a public service.
